

Assembly Department

Micro-Trains, a manufacturer of model railroading equipment, is currently accepting applications for an Assembler entry level position in our BoxCar Department. Assemblers are responsible for the final stages of assembling, inspecting and packaging our model railroading cars. Position will include the use of specialized assembly jigs. Applicant must assemble specific quantities of parts and finished cars as directed by the Department Lead. Job duties include visually inspecting cars and products for manufacturing and printing flaws; grasping and handling small parts; meeting production quotas within a specific time frame; working for up to two hours at a time and transporting boxes or jigs weighing up to 42 pounds from shelves as high as 44" to tables that are 31" high and up to 50' away.

Company Benefits:

- *Medical, dental and vision insurance
- *Holiday Pay
- *Employee matching 401(k) Company Plan
- *Medical Flex Plan
- *Earned time off
- *Sick Pay

Shift hours are from 6:00 am-4:30 pm Mondays through Thursdays. Resumes are welcomed. However all applicants must complete an employment application which can be downloaded from our website at www.micro-trains.com at the bottom of the home page or picked up at our office located at 351 Rogue River Parkway in Talent behind the Talent Police Department between the hours of 8:00 am and 3:00 pm Mondays through Fridays.

Wages are DOE. All resumes submitted must be accompanied with a completed Micro-Trains Line employment application. Micro-Trains Line is an equal opportunity employer. A pre-employment drug screening must be passed prior to employment with the company.
